

Selling a home is not something you do every day, which makes choosing the right professional to work with a top priority. That is why Berkshire Hathaway HomeServices Select Properties and myself are committed to making sure the needs of the client are a top priority to us.

- We will take time to understand your needs and keep this at the forefront throughout the transaction to ensure that your real estate goals are met.
- We will give you tips and tricks for getting your home ready for the market to appeal to the most buyers possible.
- We will suggest a listing price that brings the highest sale price possible without deterring buyers.
- We will create a plan to market your home effectively to bring maximum exposure.
- We will diligently and respectfully negotiate with buyers on your behalf to bring about a desirable outcome for you.
- We will navigate and facilitate all aspects of the transaction and contract documentation to get you to the closing table in a timely manner.
- We will connect you with any resources that you may need during this transition, such as movers, repairmen and various other vendors.
- We bring to the table a caring, compassionate and hands on approach to help minimize the stress that can come with a move.
